PUBLISHER-DISTRIBUTOR

## Manuscript Submission Guidelines

North Country Books is a New York State regional publisher specializing in history, biography, nature, photography, travel, folklore, trail and field guides, children's books, historical fiction, and other New York State-related topics. We do not publish poetry collections or books about other areas of the country.

When you decide to send a manuscript to us, please include the following with your submission:

1. A letter of inquiry, with a brief overview of your book
2. A very brief biography that discusses your education, training, employment, and other experiences that relate to the topic of your submission
3. A hard copy of the full manuscript, double-spaced and paginated. Be sure to keep a complete copy of whatever materials you send.
4. Reproductions of illustrations or photographs must be included if your finished book will require these. Please do not send originals. North Country Books does not provide illustrations, photographs, maps, or other visual materials.
5. What you believe to be the proposed market for your book
6. Comparisons between your manuscript and any similar books of which you may be aware, emphasizing how your work differs from those others
7. Your name, complete mailing address, daytime phone number, fax number, and email address

Should you choose to submit your work for our consideration, please understand that the review process – and thus, your wait - can at times be a very lengthy one. Following the initial letter acknowledging receipt of your manuscript, you will not hear from us until a final decision has been made. You may want to send your manuscript to other publishers during this time, but please let us know if you decide to publish elsewhere.

Thank you for considering North Country Books as a possible publisher for your manuscript. We look forward to hearing from you and reviewing your work.
