

PBS Kids Learning Tub 4: Germs Make Me Sick!

(brought to you by WPBS-TV and Ready To Learn)

Tub #4	"Germs Make Me Sick!"
PBS Kids Show	 Reading Rainbow
Concepts	Germs; Viruses; Bacteria; Getting Sick; Staying Well
Age Level	K-4
NYS Learning Standards	Health, Physical Education and Home Economics 1 & 2 ELA 1; MST 4
Description	Our world is shared with millions of micro-organisms. This feature book explains what germs are, how bacteria and viruses affect the human body, and how the body fights against them. Using a microscope LeVar discovers what germs really look like and talks to lab scientists about germs, and habits that can keep us healthy. A visit to an organic farm illustrates how micro-organisms are important to growing food.
