Mr. Hill and I

I went out for a walk one day. I saw my friend Mr. Hill. I put him on my arm to carry him.

Mr. Hill and I

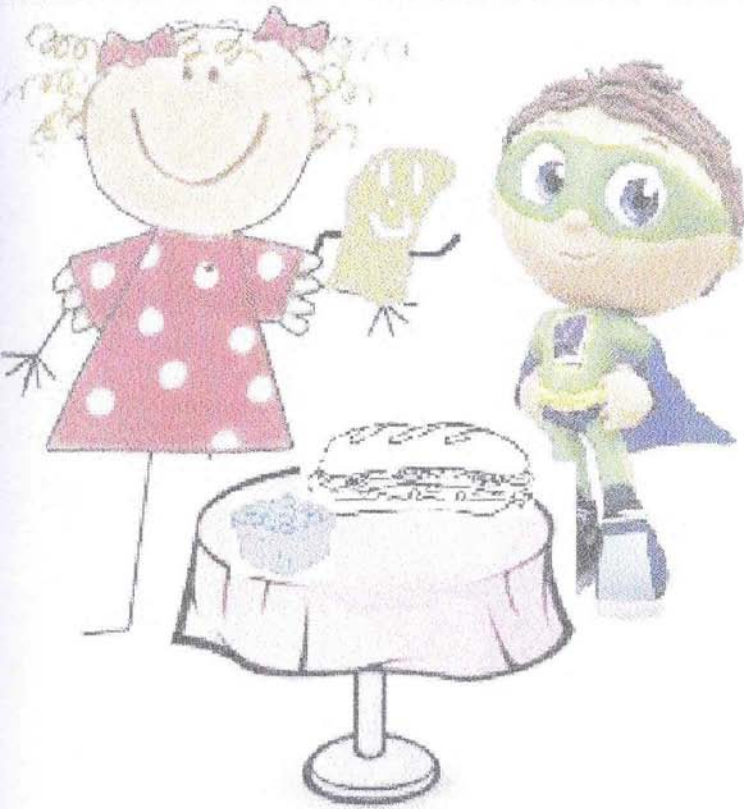

We were going on an adventure in the back yard. We fell into a red mud puddle. It was messy and we got stuck.

Mr. Hill and I

We were stuck in the mud. We called out for help. Super Why came and saved us. He pulled us out with a rope. He gave us a little towel and a big towel.

Next we went to have lunch at Super Why's house. We ate blueberries, and a chicken sandwich.

Mr. Hill and I

When I got back to my house I put Mr Hill back on his home. The sun was about to set so I ran inside to have supper.

Mr. Hill and I

I ate with my Mom,
Dad and sisters.
Then Mom and dad
read me a Super
Why story. My
sister Hannah
turned out the light
and we listed to her
favorite music.
