

The Adventure of Raptor

By Richard

Once there was a raptor who liked adventures. Then one day the raptor went on his first adventure. Raptor

said, "I hope I got everything." Rex said, "What are we going to play today?" Raptor said, "Nothing." Raptor said, "I'm going on an adventure."

Raptor went on to the forest. When he got to the forest he saw an ankylosaurus. It was starting to attack. Raptor

ran when the ankylosaurus was charging. Raptor said,

“WATCH OUT ANKYLOSAURUS!”

Everybody ran in their houses. Then the dino police came.

They arrested the ankylosaurus. Everybody cheered.

Raptor didn't know why everybody was cheering. Then

the dino said, "I've caught the ankylosaurus. Thank you,  
Raptor, for your help."
