## Dear Friends,

Welcome to the 2nd edition of myWPBS, our monthly online viewer's guide that gives you expanded program listings for the varied and diverse programming on the WPBS schedule.

October is traditionally a strong month in TV-land as the fall season gets underway in earnest and

networks launch new shows and new seasons of returning shows. While streaming and bingeing have changed the landscape somewhat we still bring our viewers a powerhouse lineup of new programming as you'll see in the listings. And of course, most of it is available for on-demand online viewing with our video player and WPBS Passport.

For drama fans the highlight of this month will undoubtedly be the launch of 3(!) new Masterpiece series – *Miss Scarlett and the Duke* season 2, *Magpie Murders* and *Annika* – all airing on Sunday nights beginning October 16th. We're very excited to unveil new documentary series including *Making Black America* and *Rick Steves Art of Europe*; and the new music concert series *Next at Kennedy Center*. And we've also got our local high school quiz bowl series, *Whiz Quiz*, airing weeknights beginning October 19th.

In addition to an abundance of excellent programming, member support makes it possible for us to engage with communities and families across our region. With the relaxation of pandemic restrictions we participated in many community events this summer including the Ottawa Children's Festival; Anchorcon in Clayton, NY; Bike Night at the Evans Mills Raceway; Downton Abbey-themed St. Lawrence River cruise, and many more. PBS Kids characters at these events bring joy to our younger viewers.

With your crucial support we look forward to continuing to provide the finest public media content and services to everyone across Eastern Ontario and Northern New York. Thank you so much!

# WPBS Passport

## A message for our Canadian members

You may already know about WPBS Passport, a member benefit that offers extended on-demand access to a rich library of public television programming. At the \$60 annual membership level (or \$5 monthly sustaining gift), you have access to several thousands of hours of PBS content such as *GRANTCHESTER* and other dramas from *MASTERPIECE*, as well as favorites like *CALL THE MIDWIFE*, *NATURE*, *NOVA*, and *GREAT PERFORMANCES*. New titles are continually being added to Passport.

In 2020, after several years of work on the part of PBS programmers, Passport was launched in Canada and we are now able to offer it to our Canadian members. As is the case with many other Internet-based on-demand and streaming services, the programming available in Canada differs from the U.S. lineup. This is because program rights are specific to each country, so when PBS acquires the rights to, for example, a British drama series it may only be available for the US as other companies may have already purchased exclusive rights in Canada. PBS programmers are continuously working on this and acquiring rights to more and more shows, and attempting to maximize the number of programs that are available in both countries. Here at WPBS we have been and continue to be a strong advocate for this.

There is more information available on our website at [www.wpbstv.org/ways-to-support/membership/wpbs-passport-canada/](http://www.wpbstv.org/ways-to-support/membership/wpbs-passport-canada/) and of course you can always contact our Member Services line at 315-782-3142 ext. 323. We hope that all our members will continue to enjoy the additional viewing options that WPBS Passport affords to them, and appreciate your comments and suggestions on what we can do to improve our services to you. Thank you.

## WHAT ARE YOUR FAVORITE FAMILY TRADITIONS?

Family traditions can include activities, recipes, and acts of kindness, and they can be done at any time to celebrate anything! Want to start a new tradition with your family? Make it simple and not stressful. Your new tradition can be daily, weekly, monthly, or set for special holidays. Involve your kids in making family traditions and then share them with other family members.

Some small traditions you can start with your family are: Telling a story every night, Creating a special secret family handshake, Waking a walk together, Throwing a family dance party, Putting on a family game night.

**PBS KIDS Games** Play free learning games with your favorite PBS KIDS characters anytime, anywhere! PBS KIDS Games features top shows, including “Daniel Tiger’s Neighborhood,” “Wild Kratts,” “Donkey Hodie,” “Sesame Street,” “Pinkalicious & Peterrific,” “Odd Squad” and many more.

**PBS KIDS Video** Watch thousands of free videos from the #1 educational media brand for kids anytime, anywhere! Stream the PBS KIDS 24/7 channel on the app for free (no subscription or login required). Tap the “LIVE TV” button to watch what’s airing on your local PBS station right now.

**PBS KIDS ScratchJr** With this tablet-based app, kids can create their own interactive stories and games featuring their favorite characters from “Wild Kratts,” “Nature Cat,” and “Peg + Cat!” The storytelling possibilities are endless with this creative coding app for children.

**Play and Learn Engineering** Explore and learn STEM concepts with your child as they experiment with simple engineering tools. Design machines and roller coasters, build towers with robots, and problem-solve through an obstacle course.

**Play and Learn Science** The games in this app encourage kids to see the science in their world and build science inquiry skills. The related hands-on activities prompt families to explore science fun together and “try it” at home.

# JOHNNY on FIRE

## Fire-Grilled Apple Dumplings

WPBS and local radio host Johnny Spezzano of The Border team up for a fresh, regional cooking segment each month on *WPBS Weekly: Inside the Stories* called "Johnny on Fire!"

### Ingredients

#### Apple Dumplings:

1/2 Cup White Sugar  
2 Tablespoons of Cinnamon  
4 Apples  
Roll of Pastry Dough  
4 Pads of Butter

#### Glaze:

1 1/4 Cup Brown Sugar  
1 Cup Apple Cider (or water)

### Directions

Combine white sugar and cinnamon. Set aside. Next, core the apples.

Dust a surface with flour and roll out the pastry dough. Once rolled, cut the dough into four pieces. Each piece should be big enough to wrap around an apple. With any extra dough, use a knife to cut four leaf shapes, and score lines into the leaves with a spoon. Set these aside.

Place the apple on a piece of dough, and transfer to the baking dish. Fill the apple with three scoops of the white sugar and cinnamon mixture. Then place a pad of butter on top of each apple. Wrap the dough around the apples, fully covering it. Attach a leaf to the top of each apple.

To make the glaze, in a skillet over high heat, mix cider and brown sugar together until combined. Stir mixture frequently, and allow it to come to a boil. Keep stirring the mixture until it thickens to about the thickness of maple syrup.

Pour the glaze over the apples and into the baking dish. Then place in the wood fire oven at low heat for an hour. When done, the apples will be browned at the top. Drizzle glaze at the bottom of the dish on top.

## aTaste of HISTORY Vanilla Ice Cream

### Ingredients

4 cups heavy cream	3/4 cup granulated sugar
3 egg yolks	1 vanilla bean, split and seeds removed

### Directions

Prepare an ice bath by filling a large bowl with ice water and setting a slightly smaller bowl atop.

In a medium sized sauce pot, bring the cream, half of the sugar, and the vanilla beans and pod to a simmer.

Meanwhile, in a medium sized bowl whisk together egg yolks and remaining sugar until light. Slowly add hot cream to egg mixture, 1/4 cup at a time, whisking all the while. Return the pot to the stove and cook over low heat, stirring constantly with a rubber spatula, until it is thick enough to coat the back of a spoon.

Transfer the custard to the ice bath and cool it, stirring occasionally, until it is cool to the touch. Remove from ice bath, cover, and refrigerate until cold. Spin in ice cream maker following the manufacturer's instructions.

### Did You Miss it?

A proposed National Marine Sanctuary in Lake Ontario could change the economic and educational landscape in Jefferson, Oswego, Cayuga, and Wayne counties. 64 known sunken ships will be protected, as well as several others that have yet to be identified. The national Oceanic and Atmospheric Administration continues to review the proposal.
